

Subject: RE: Models For Ecological Systems - FEM31806_2019_3

From: "Sterck, Frank"

Date: 7/6/2023, 9:14 AM

To: Guido Bartels

To whom it may concern,

I confirm that Guido Bartels attended the course "models for ecological systems" in the academic year of 2018-2019. He successfully completed various components of this course: the R-exam, the mini-model assessment and the applied model assessment.

Kind regards, Frank Sterck
(coordinator of the course)
